Profile

An international, award-winning **Professor of Industrial Technology & Operations Management** whose solid understanding of business administration in an engineering context, passion for learning, and consultative leadership style are the driving forces behind a progressively successful 30+ year career. Enjoys inspiring students across the EMEA to achieve their full academic and personal potential. Founder of academic departments, colleges and programmes, and participant in worldwide conferences. Industrial Engineering Thematic Leader, Education Society Chapter, IEEE United Kingdom and Ireland Section.

Qualifications

University of Bradford, UK: PhD in Industrial Technology and Production Management

Cranfield University, UK: MSc in Industrial Engineering and Production Management

University of Baghdad, Iraq: BSc in Mechanical Engineering

Career

Guest Professor, Global Education Career Centre (GECC), London, UK, 2019 - date.

Academic Director, International Foundation Group (UK) Programmes in Iraq, London, UK, 2022 - date.

Industrial Engineering Thematic Leader, Education Society Chapter, IEEE UK & Ireland Section, 2017 - date.

Associate Professor, University of Jordan, Jordan, 2015 to 2019

- Member, Steering Committee, University Strategic Plan.
- Chairman and Academic Adviser, Maintenance Management and Quality Engineering MSc Program.
- Chairman, Aramex Award Projects Committee, responsible for awarding distinguished graduation projects.
- Member of the Postgraduate Studies Committee, School of Engineering.
- Developing the performance of PhD, MSc and BSc students at numerous universities across Jordan.
- Supervising, evaluating and examining graduate projects across diverse industrial engineering disciplines.
- Assisting students with applied research, including field training focused on real-life industrial problems.

Associate Professor, Hashemite University, Jordan, 2000-2015

Contributed to the establishment of the Faculty of Engineering and Department of Industrial Engineering.

- Vice-Dean, Deanship of Scientific Research and Graduate Studies (2007-2008).
- Vice-Dean, Faculty of Engineering (2006-2007).
- Coordinator of Postgraduate Studies (2004-2006).
- Head of Industrial Engineering Department (2000-2004).

Further Roles & Responsibilities

- Member | University Strategic Plan Committee.
- Coordinator | University Board of Postgraduate Studies.
- Coordinator | University Board of Scientific Research.
- Chairman | Postgraduate Studies Committee, Faculty of Engineering.
- Chairman | Accreditation Committee, Faculty of Engineering.
- Consultant - Project Officer | Centre for Studies, Consultations and Community Services.
- Contributed to establishing the Faculty of Engineering Industrial Engineering Department.
- Representative of industrial engineering specialization, Achievement Exam Committee for Jordanian universities at the Ministry of Higher Education and Scientific Research.
- **External Engagements**, June 2009 - August 2009 & September 2008 - January 2009
Visiting Professor, Department of Business Administration, Ahmed Bin Mohammad Military College, Doha, Qatar.

Assistant Professor, University of Baghdad, Baghdad, Iraq, 1991-2000

- Industrial Management Department, College of Economics and Administration:
 - **Founder - Head**, 1998-2000
 - **Co-ordinator**, 1997-1998

- **Assistant Professor**, 1995-1997

- College of Engineering, 1991-1995

Al-Mansoor University College, Part-time Teaching, Industrial Management Department, Baghdad, Iraq, 1991-1995

University of Bradford, Teaching Assistant, School of Industrial Technology, Bradford, UK, 1989-1991

Publications

- Sixty-seven papers on engineering - scientific topics published in international conferences and journals.
- Three published books on the subject of industrial engineering.
- A complete list of papers and books can be provided on request.

Subjects Taught

I have had the privilege of instructing undergraduate and postgraduate students in a wide variety of courses, both remotely and on-site, in several different countries. Lean Systems, Quality Management, Maintenance Management, Special Topics in Industrial Engineering, Cost Analysis, Business Operations, Effective Decision Making, Strategic Decision Taking, and Financial Awareness are just a few of the recent courses I have taught. A complete list of subjects taught can be provided on request.

Awards

- The honorary title (Name in Science) awarded in Oxford Summit of Leaders (Science and Education), 12-15 October 2014, Oxford, UK. By decision of the Socrates Committee in accordance with provision, paragraph, 1, 2. The name has been recorded in the world register of outstanding scientists of the 21st century with awarding medal of fame "For contribution to world science".
- International "Science and Education" Competition, Certificate of Excellence, in the "Best Scientist" Category, Club of Rectors Academic Council, Oxford, UK, 2014.
- The first rank in the central exams held for Iraq Universities by the Ministry of Higher Education and Scientific Research, Baghdad, Iraq, Academic year 1997-1998.

Memberships

- Extensively involved and holding various roles in various academic and professional organisations such as, Oxford Academic Union (OAU) in UK, The e-Institute for Twenty-First Century Skills (Founding Member and Senior Adviser in Germany), Canadian Society for Quality (CSQ), Jordanian Engineers Union (JEU), Federation of Arab Engineers (FAE), Jordanian Trainers Society (JTS).
- Serve as a consultant in The Association of Iraqi Academics in UK, Iraqi Union of Engineers, Establisher Member at Arab Trainers Union (ATU), and Permanent Member at Jordan Society for Quality (JSQ).
- Contribute to several academic journals as a member of editorial boards for publications like Advances in Industrial Engineering and Management - American Scientific Publishers, International Journal of Engineering & Industries, Advances in Information Sciences & Services Sciences (AISS) Journal, and Journal of Civil Engineering Research & Technology, Scientific Research and Community, Coventry, UK.
- Provide advisory expertise to Globus International Journal of Management and Information Technology and European Centre for Science and Technology, (ECSciTech) in the UK.

Additional Information

- Highly proficient in instructional and e-learning systems, possessing extensive expertise in imparting education via e-learning, distance learning, and blended-learning methodologies. Has successfully taught numerous modules across the globe.
- Chairman, speaker and committee member of many international conferences worldwide (list available).
- Internationally recognized consultant with a unique perspective in engineering and administration, delivering global training courses and having extensive experience in diverse topics such as Industrial Engineering, Operations Management, and business-related subjects.
- Actively contributes to volunteer work, includes specialised workshops, honorary memberships, guest lectures, online conferences, webinars, training courses, e-learning platform development, expert roles, and media appearances, showcasing the commitment to sharing knowledge and expertise globally.

Languages: Fluent Arabic and English
